Docket No. 98N-1265 546 99 MAY 14 P3:18
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: We cannot fall in the
trap of "one size fits all"
in medicine. Let's
do the "right thing" &
keep freedom of choice between
doctor & patient & not legislate
against that option!
Thanks for doing what's right!
